RE: Olympic Development Program (ODP) Player Sponsorship

The Olympic Development Program (ODP) is a national program which is designed to identify and develop talented, committed youth soccer players to represent their state, region and country in soccer competitions. It is also intended to aid in the preparing and showcasing of the players as student/athletes for exposure into collegiate soccer programs.

The player, _____, has been selected by the Utah Youth Soccer Association (UYSA), a non-profit youth soccer organization to represent Utah in state, regional and national soccer competitions in 2010-11. As part of the identification process of potential Olympians and National Team Members, our association is offering the Olympic Development Program as a way to provide greater educational and athletic experience for our Olympic and National Team hopefuls.

The Utah Youth Soccer Association does everything in its power to keep the program expenses to a minimum; however, with training, travel, tournaments, etc., it can become cost prohibitive for many players and their families. The cost for participation in the Olympic Development Program for 2010-11 is approximately \$1500. The player is requesting a full or partial sponsorship in their name for the cost of the program. The Utah Youth Soccer Association is a 501-c-3 non-profit organization; therefore, your donation is fully tax deductible.

Please send your donation in the name of the player to:

Upon receipt of the donation, we will send a letter and a receipt confirming the donation for your records with our Federal Tax ID Number included. On behalf of the player I want to thank you for your donation and appreciate your contribution to the development of our Olympic and National Team hopefuls.
