

Special Needs Fall 2010/Spring 2011 Soccer Registration

In association with USA Soccer and Topsoccer, we are forming a special needs division for elementary age children for the Fall 2010/Spring 2011 season.

The program enables girls and boys with mental or physical disabilities to learn and play soccer in a fun, safe environment with other children of similar capabilities.

We are also looking for parents willing to be trained as Topsoccer coaches for our teams. USA soccer is arranging for the training. For those interested we will get you more information as soon as it is available. We can only have as many teams as we have coaches! We are also looking for assistant coaches. Parents please let us know if you are willing to help in any of these capacities.

For questions or more information please contact Mary Anderson at 801-282-3763 or by email at andersonnj@comcast.net

Register by June 10th by going to www.utahsocceralliance.com, click on the 'Recreation' tab and follow the links to register. On the online registration form, answer 'yes' to the question that asks if you have special needs or disabilities. This will ensure you are put in the special needs division.

Teams will be divided by age groups and ability (we will likely need to combine some age groups in order to have enough players on a team).

Registration is \$70 total for Fall/Spring season. The fee includes games, jersey, shorts, socks, city fees, uysa fees, trophy, coaching and instruction from Topsoccer coaches. Half season play (Fall or Spring) is also available. See website for details.

Games will be held on weekdays. A coach will contact you by mid-August.
