An E-License is required for all coaches who wish to coach in the X-League or in Local Developmental programs. A D-License is required for all coaches coaching in the UYSA State Competition Gaming League. If you do not have the appropriate license, you must apply for a wavier which is good for one year, or two *consecutive* seasons. You may only apply for a waiver once in a lifetime. You will have one year to attend the appropriate Licensing class and obtain your license or will not be allowed to coach within UYSA until you receive the proper license.
