Team Check -in

We have moved to an online check-in process. This has been done to eliminate the need to drive to Sandy for the potential to be there for 5 minutes or less. Unlike years past, you do not need to submit a roster. You simply need to edit your roster, as explained below, in your application. You can make changes up until the roster freeze which is October 10, 2023 at 11:59 PM. All rosters will lock at that point, and no changes will be permitted.

ROSTERS

- **Each team (coach or admin) must create a tournament roster for State Cup**
 - o Each team will be using the Digital Player Cards at game check-in. Follow this link (<https://uysa.affinitysoccer.com/m/pass/index.aspx>) to access Digital Player Cards. Please make sure that a coach or admin listed on your Affinity roster has a device that can access the Digital Player Cards before each game. We ask that each team have the rosters pulled up on a capable device.
 - o **IMPORTANT** – your roster must be created by Roster Freeze date at 11:59 pm MST (October 9, 2022). Tournament Roster Instructions are below.

TOURNAMENT RULES AND INFORMATION

Please review the rules! While we will do our best to inform you of anything we can to assist with understanding of State Cup rules it is ultimately your responsibility to know and understand. Please follow this link to the tournament rules and reach out with any questions:

[Tournament Rules](#)

Some important rules to note:

Seeding:

- All Covid-19 provisions have been removed from seeding, and all age groups will be seeded the same way.

Roster Limit:

- Max 22 rostered players, 18 for active game day roster for U13-U19

Coaches:

- Coaches are required to have an "E" license
- No more than 4 admins on a sideline. Those allowed on sideline must be on the roster.
- Please watch your behavior on the sidelines. Any ejection is an automatic (2) game suspension with no appeal.
- DOC's will have VIP passes on a lanyard. These will be available at the tournament HQ trailer. Please let us know if your club has more than one DOC.
 - There will be a limit of 2 per club but those people must be DOCs.

Red Cards:

- We will be running a red card report from last year's State Cup. If any players received a red card last year that wasn't served during the tournament, in regionals or nationals they will have to serve the suspension this year. You will be notified if we find anything.
- If any players receive a red card this year and the suspension is not served during State Cup (usually due to red card being given on last game) the red card will carry over to regionals, nationals or next year's State Cup.

Champions and Wildcards:

- By entering the US Youth National Soccer Championship Series, each team agrees to appear for and to compete in every scheduled match for whom it qualifies, including any and all Regional and National Championship matches. Each team also agrees to assume full responsibility for the financial and travel requirements associated with competition at the Regional and National levels. Teams that win State Cup or receive the Wild Card for that age will advance to Regional and or Nationals or face being placed in "Member in Bad Standing" until a fine of \$3000 is paid to UYSA. The fine and "Member in Bad Standing" will be placed first against the team, then the coach and finally the club.
- **We understand that there is the potential for outside events to conflict with Far West Regionals. Please note that the policy above will still apply in those instances, and teams will be fined if they choose not to advance to regionals upon winning State Cup.**

FAQ Roster Questions

- **Can I club pass?**
 - Yes, you can club pass. You can only club pass if you currently have empty roster spots. If you have a maxed-out roster you cannot deactivate players to club pass another player.
- **How many guest players can I use?**
 - There no guest players allowed for State Cup, only club passed players
- **What about multi-rostered players?**
 - A player cannot be active or play for two different teams participating in State Cup. If a player is currently multi-rostered and is playing with their primary team in State Cup, that player is

required to be deactivated on their secondary team in their secondary team's State Cup application roster (this will not affect league play). If the player is going to play in State Cup with their secondary team for State Cup we need a declaration form filled out and submitted to us. If the player is multi-rostered on teams from different clubs, the declaration form will tie the player to the secondary club for the entire National Championship Series in 2020 (that player won't be eligible to play for the primary club at any level of the NCS). If they player is on two teams within the same club, the declaration form will alert us that the player is not playing with their primary team and we can double check the player is not active with their primary team. You can find the State Cup declaration form [here](#)

- **I have a player who plans on playing in Presidents Cup 2024. Can they play in both tournaments?**
 - No player is eligible to play in both State Cup and Presidents Cup in the same seasonal year.

Link to FAQs from a previous Managers Meeting can be found [here](#)

FACILITIES

- No scooters, hoover boards, roller blades, or anything similar.
