

11U X League 2023-2024

11U is “no scores - no standings”

PHILOSOPHY: UYSA is encouraging flexibility for players to be moved between teams in the same club to facilitate playing time and player development at appropriate levels for all players in this age group. Directors of Coaching (DOCs) should be working with club coaches to ensure technical player development, not team tactics, is the primary focus of these age groups.

The 11Us have been placed into color coded divisions that are ordered by development level. The intent is for DOCs to work with their coaches to keep like players playing like players.

The 11U Red SCL divisions are highly competitive for teams that intend to choose to play Premier as 12Us.

Rosters & Club Passing

- To allow for easy movement of players, teams may use tournament rosters for each game.
- Tournament rosters must be printed and every player who plays **MUST** be on the roster and must be in the same club **and within the same Region**. See [here](#) for instructions on creating a tournament roster.
- Club passing is typically not used for teams in the 11U league. (Use tournament rosters!)
- 11U players who are rostered to an 12U team may be added onto the 11U tournament roster within the same Club and Region.
- 11U players may club pass to 12U teams a maximum of 4 times each season.
- Players may not play in more than 2 games on any day. **Players may not play in more than 3 games within 7 days.**
- Players within the same age group, color division and club may play on multiple teams except, if the teams are competing against each other in a scheduled match on the same day, they may not appear on both rosters.
- Players may only be placed on tournament rosters that are registered to teams within their club and their respective Region.
 - Example: If club A has teams in Region 3 and 4 and they have a game in Region 3, they may only use players registered to the team(s) in Region 3.
- A club or Organizational Member may use a pool of players from within their club and Region to assign players of like ability to rosters for games.
- Maximum number of players on the roster: 11U - 15.
- Coaches are encouraged to set their roster a minimum of 48 hours prior to game time as a courtesy to parents to know when and where the player is expected to be playing their game.

Scores & Standings

- After the game is played each team's Coach or Team Manager shall record the score as **0-0**.
- The **actual score** of these games **should not be recorded** in the score section in the online system.
 - The score “may” be recorded in the Comments section.
