HIGH School Provisional (HSP)

- Temporary seasonal league for players who are not playing high school soccer
 - Any player who plays in the high school season may NOT come and play provisional after the HS season ends.
- Self-alignment aiming for competitive games.
- Standings kept – league winners get medals
- 15U-19U age groups
- Team roster rules apply in that the team must play in the age group of its oldest player. (Ex: need at least one 17U if playing in 17U division)
- Girls in the Fall; Boys in the Spring
- Players are free to play for any team (some clubs may request players only play on their provisional teams)
- “Recruiting” rules do not apply so players / coaches can ask any player to play on a provisional team
- Administration – just like any other UYSA Competitive team, the provisional team needs a ref assignor, field assignor and a registrar
- Register after high school tryouts
- HSP starts approximately two (2) weeks after the UYSA competitive season starts

For more information, contact your registrar or the UYSA Office
